

Monthly Newsletter
of the
Southwest Division
Ohio Chapter, Western Section,
International Association of Electrical Inspectors
July 10th, 2019
www.swohioiaei.org

Greetings,

I have combined the June and July newsletter into one for this month. Our SW Division distributed five scholarship awards at our June meeting. The following recipients received \$1000 scholarship toward their college education expenses:

- Bridgett E. Lecher
- Zachary Lemaster
- Braden Parker
- Brian M. Schapp
- Adam K. Schueler

Congratulations to all those who received these valuable awards and their families!

At our July meeting we had our Annual Luncheon and we had an abridged business meeting to allow time for our guest speakers. Bret Frank and Bill Alderton from Schneider Electric provided an excellent presentation on NFPA-70E. It wasn't without a little technical difficulty but these guys were troopers under fire and overcame the situation. Good job guys! Also, Thanks Tim!

Austin Bickett with Duke Energy provided some details on the new territory list and changes in the Red Book (service handbook). Some of these changes were to align Duke's policies here in Ohio with the other states Duke Energy serves. This was a very good meeting and we got to have lunch catered by Vonderhaar's Catering and the food was excellent. You will be disappointed if you missed it.

Thanks,
Dewayne

NEXT DIVISION MEETING

August 14th, 2018
9:30 AM to 12:00 PM

BRING A FRIEND TO THE MEETING!

PROGRAM

Our regular business meeting and NEC code instruction:

Items of interest from the July 10th, 2019 meeting

Secretary's Report: Lorenzo Adam was not available today for today's meeting as he was on vacation. I hope we didn't pay for this...jk

Ohio Chapter Report: Pete Baldauf was available for today's meeting and informed us the next Ohio Chapter has installed the officers for the coming year. The Ohio Chapter has a goal to have a chapter meeting in 2020.

Treasurer's Report: Ken Dunning was available for today's meeting and reported a bank balance of \$17,499.38 with all bills paid. This is down a little since we just paid for the five scholarships.

Membership Report: Larry Parsons was available for today's meeting and he submitted a report that we currently have 116 members.

Education Report: Gaylord was available for today's meeting. GP mentioned the Fall Refresher classes are scheduled for the 2nd Saturday of each month at the City of Mason's meeting room. You can visit our website to get the registration form for these classes.

Legislative Report: Pete Baldauf was available for today's meeting and discussed the passing Senate Bill #1 and the Budget Bill.

OCILB Report: An OCILB meeting report was not provided at today's meeting

Media Report: Lorenzo Adam was not available for today's meeting.

UL Report: Billy Anderson was not available for today's meeting.

Intertek Report: Eric Williams was not available for today's meeting.

Utility Report:

1. Duke Energy – Austin Bickett was available for questions.

2. DP&L – Bill Gurley was not available for today's meeting.

3. Butler Rural - Bob McIntosh was not available for today's meeting.

Code Discussion: Was tabled to allow time for our presenters from Schneider Electric

Code Instruction: This was our annual luncheon and code instruction will resume in August.
